

# GET READY FOR THE 2017 SOUTH JERSEY TOURNAMENT SEASON!

*From big money to bragging rights, family fun to professional competition, the South Jersey Tournament Calendar has a reason for any angler to land a fish in the scales in 2017!*

As the boats start hitting the water and the snowbirds start heading back up the coast after a long winter down south, our tournament season begins to kick into high gear once again! Over the past 35 years, Southern New Jersey has been the host to some of the biggest big game fishing events in the region. With plenty of variety in the tournament calendar, there's no reason to miss out on any of the offshore action this year. Whether you prefer to drift for the elusive Mako, chunk for Yellowfin, tease Bigeye to the surface, or methodically run the spread for White and Blue Marlin, there's plenty of opportunity to prove you're one of the best in our events.

## ***And Don't Forget Marlin Month!***

If you love chasing whites, why not make plans to join us at Canyon Club Resort Marina this year for Marlin Month. Canyon Club is the center of excitement and the hub for white marlin fisherman when the bite turns on. In fact, it's become the region's center of big game fishing, all season long!

What is Marlin Month? Eight years ago we put together a fun, month-long, winner-take-all release event exclusively for boats docked at Canyon Club and South Jersey Marina and called it "Marlin Month". Solely for having fun and seeing who could catch the most billfish, running from the first fish day of The MidAtlan-

tic through the last weekend in September to coincide with the last fish day of the CMMTC. When it was all over 14 participating boats fished a total of 71 days and released an amazing 605 whites and 6 blues. It was most likely the best white marlin fishing our area has ever seen. It was an absolute blast.

Will we be doing again in 2017? You bet! And you are invited to join in the fun. Marlin Month will begin this year on August 21st and will run through September 30th. So, before you make up your mind about this coming summer's fishing plans, consider joining the fleet at Canyon Club for our 2017 Marlin Month (if you're

fishing the MidAtlantic, you'll already be here!). You'll be making memories with friends and family, experiencing world class fishing and enjoying the good times that go with it.

Simply contact Paul (phoffman@canyonclubmarina.com) or Mike through the Canyon Club Ships Store to extend your reservation from the conclusion of the MidAtlantic through the September mayhem – it's truly world class! Ask about our "special" post Mid-Atlantic transient rate starting August 27th through the end of the September.
